Subject: Letter of intent for the candidature of President for AIESEC in Bhopal 2022

Dear Zainab,

Ever since I joined AIESEC I have dreamt of writing this letter. This entity has given me so much and I believe this is my chance to give something back to this wonderful organization. Today I, **Avi Dubey**, as a part of the Management Body of **AIESEC in Bhopal**, would like to put forward my intent for the prestigious role of **Expansion Entity President of AIESEC in Bhopal** for the year 2022.

I got into this entity with no specific goal in my mind but this entity has motivated me, guided me and made me the person I am today. It will be my honour to do the same for the upcoming members of **AIESEC in Bhopal**.

I am aware that the role is going to be difficult as our entity will be transitioning from a virtual setting to a physical setting therefore I am willing to put in everything it takes to make my term a success.

With all the learnings, experiences, energy, zeal and sheer love and gratitude for this beautiful entity we call **AIESEC in Bhopal**, I, **Avi Dubey**, extend to you my intent for the candidature of **Expansion Entity President of AIESEC in Bhopal** for the year 2022.

Thank you,  
Avi Dubey  
Team Leader.
